QUOTE:

"The Sculptural Chiavris lounge chair is an eye-catching juxtaposition of volumes and materials, which together unites both industrial taste and classic refinement".
— Studio Delvis

Exhibition:

Falling Into Life

The event explores the relationship between nature, art, and design, bringing projects to life that integrate impressive craftsmanship with innovative materials. The exhibition invites the audience to experience a unique sensory journey through the sinuous, sculptural forms of the pieces, telling a dialogue between the past, present, and future of design, celebrating the uniqueness and creativity of each project.

BIO DESIGNER:

Gianluca Cozzarolo is a selftaught designer and creator, he started his career in Italy collaborating with different design and furniture brands. Passionate about restoration and modern art his design research expresses in different ways approaching various materials combining minimalist aesthetic with a handcrafted artisanal production practice.
