

Sylvie, chair

Stefano Del Vecchio

COLLECTION  
Delvis (Un)Limited

SYLVIE chairs are pieces of art due to their handmade details which were purposefully left raw to reflect the vibrancy of the world of nature. Legs, like stems and branches, seem to crystallize under the fusion of aluminum which renders these seats both precious and unique.

#### MORE INFO:

The collection was born from the continuous research and desire to work on exclusive pieces, using natural materials such as wood, stone, iron combined and in contrast with the artifice of the surfaces' precious details expertly worked by Italian craftsmen. This is what gives life to a furnishings collection as intense as works of art, Unlimited, as is the thought, creativity and genius of man.

## Exhibition:

## Metallica

NOV 24 // MARCH 25

Delvis Unlimited is pleased to introduce Metallica a new exhibition curated by Matteo Cibic, showcasing an interpretation of metal and its characteristics of ductility, malleability, reflection and shine, developing new forms of dialogue and symbiosis among different talented artists.

Metallica as a contemplation of energy translated into a contemporary aesthetic code embracing both Art and Design.

#### BIO DESIGNER:

Globetrotter, art collector, designer and entrepreneur, Stefano Del Vecchio founded Delvis in Udine in 1984. Delvis started out as an artisan reality, over the years Del Vecchio has evolved it into an international brand, preserving its original approach to the project in its DNA: a vision rooted in Italian culture that combines traditional knowledge with sophisticated techniques and meticulous attention to detail. In 2021 Del Vecchio founded Delvis Unlimited, a collectible design brand made of limited- edition pieces, the result of a careful selection of design techniques and solutions, combined with the collaboration with young Italian designers.
