

Bonfire, rug

Stefania Ruggiero

COLLECTION
Delvis (Un)limited

The symbolic power of fire is captured through the designs of three kilim rugs. Bonfire portrays people gathered around the fire, embodying the warmth of shared moments. Together, these rugs speak about the solace of being together and the solitude found in losing oneself in thought by the fire.

THE THEATRE OF THINGS
7 nights and 7 days living with collectible design

Delvis (Un)limited - 6th to 13th of April 2025
The collectible design gallery/brand Delvis (Un)limited presents an exhibition-performance that showcases life in a living space designed by 7 designers. Challenged to juxtapose and intertwine their languages, the designers are also invited to live in the space day and night, bringing to life a sort of domestic stage on the street. The exhibition is curated by Valentina Ciuffi and Joseph Grima. The creative direction is by Studio Vedèt, and the set design is by Space Caviar.
